

Plastic Omni Antenna

Low Cost Omni Antenna

AOA-2405TPS

AOA-5805TPS

Quality Ensured

All units are individually tested during production

Applications

- ISM Band
- Wireless Hotspot/Access Point/CPE
- Mesh network application

Features

- Superior performance
- Quality assurance
- Lightweight design
- All weather operation
- Pole / Wall mount

Installation Diagram

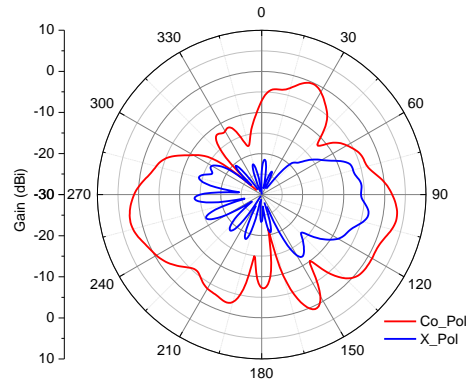

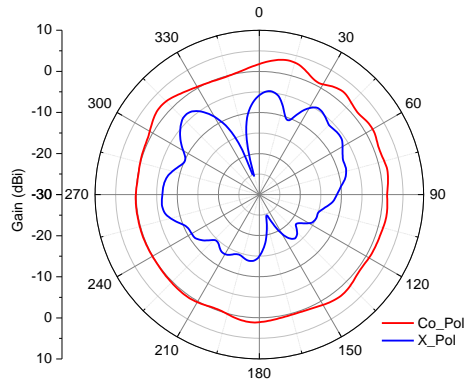

| Model | AOA-2405TPS |
|-----------|--------------------|
| Frequency | 2400 - 2500MHz |
| Gain | 6 dBi |
| V.S.W.R | < 1.5:1 |
| Radiation | Omni |
| Impedance | 50 Ω |
| Connector | RP-SMA male |
| Material | UV Protect Plastic |

| Model | AOA-5805TPS |
|-----------|--------------------|
| Frequency | 5100 – 5900MHz |
| Gain | 5 dBi |
| V.S.W.R | < 1.5:1 |
| Radiation | Omni |
| Impedance | 50 Ω |
| Connector | RP-SMA male |
| Material | UV Protect Plastic |
